SUBJECT: Public Service Awards Programs - Item on Agenda for Career Council Meeting

Attached is some background information you may want to look over before Council meeting.

1. List of Public Service Awards programs and action taken or to be taken this year.

25X1A9a

2. [REDACTED] told me she was sending down another announcement of an awards program for accountants. I think we can anticipate more of these programs for Government employees. The Council may want to get out of the awards business or at least limit their responsibility to the major awards programs.

Attached is some background information regarding action taken by Council and some suggestions for handling these programs next year.
